# Climate Graph Checklist

Have a classmate peer review your climate graph to make sure that you have done your best work by following the guidelines.

My reviewer's name: \_\_\_\_\_

Category	Yes	No	Somewhat
Title			
Precipitation Units Labeled			
Temperature Units Labeled			
Months Labeled			
Growing Season Labeled and Shaded			
Temperature Plotted Correctly, Red Line Graph			
Precipitation Plotted Correctly, Blue Bar Graph			
Annual Average Temperature Calculated			
Annual Precipitation Calculated			
Annual Temperature Range Calculated			
Maritime/Continental Identified			
Is the climate graph neat and organized?			
One thing you have done well is...			
One thing you can improve is...			

**Teacher Feedback:** \_\_\_\_\_

## Learning Skills:

Independent Work: N S G E  
- uses class time appropriately to complete tasks

Responsibility: N S G E  
- takes responsibility for and manages own behaviour
